Pulsar Connected LLC (Pulsar) IsatPhone plans use the Inmarsat Mobile Satellite Network. Satellite reception limitations and some exclusion zones apply. Visit www.pulsarbeyond.com for a coverage map. All calls are charged in 60-second increments unless otherwise stated. Prices quoted are in USD, excluding any applicable taxes, and are subject to change. Included call value excludes premium calls, calls to special numbers, calls to other satellite networks, and premium texts. Pulsar may apply call barring where fraudulent use is suspected or for credit control purposes. A minimum term applies. Please refer to the table above for the minimum cost of each plan. An Inmarsat device is required to access the Pulsar Inmarsat service (see handset pricing). You will receive a bill by email from Pulsar listing any payments you have made during the billing period and a summary of your service usage to enable you to keep track of your overall service usage and monthly spend. You may receive a pro-rata access fee charge on your first Pulsar bill, calculated from the actual date of service connection to the date of your first bill. Itemized billed and unbilled service usage is available on the secure Selfcare website at www.pulsarbeyond.com/selfcare. An itemized bill listing all of your service usage events is available on request. Pulsar plans are available to credit-approved customers only.
